PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

## RECENT OPERATIONS

By Paul Rardin

From where I sit in this country newspaper office in Canal Point it begins to look like we are going to have four years of good state government. I've watched Governor Warren's appointments to date and with one or two exceptions I think he has done a pretty good job of picking capable men to do the different jobs. It is vitally necessary that he surround himself with good men to carry on the many functions of government. One man can do just so much. No more!

Especially am I interested in the Governor's appointment of a new road board. In this particular department of state government I honestly believe that the governor has the most outstanding board yet named by him. Here he has chosen men who are outstanding in their community—successful in their own business—men whose integrity is unquestioned—men whose honesty causes them to be held in high esteem in their home communities. A job well done, Mr. Governor.

On Monday of this week along with other county commissioners I had occasion to visit Merrill P. Barber, our section's member on the new state road board. Mr. Barber lives in Vero Beach and I've known him for 15 years and through those 15 years have had many occasions to see him in action on important jobs. He is mayor of his home town of Vero Beach. He was recently elected president of the Indian River Citrus Bank in Vero Beach. These two honors in themselves are proof positive of the esteem in which SRD member Barber is held in his home town.

Our group merely went to Vero to see and chat with the new SRD member. We found a most cordial welcome at the hands of the young Vero banker. We discussed road projects briefly, chatted about politics in general, and upon leaving our entire group was of the opinion I had expressed before reaching Vero—that Governor Warren had picked one of the outstanding men on the East Coast of Florida to serve on the all-important road board.

## CANAL POINT BAPTIST MISSIONARY SOCIETY

The Annie Jones Circle will meet Thursday, Jan. 20 at 8 p. m. See your leaders for further information.

The general meeting of W. M. S. will be held at the Church Monday, Jan. 24th 8 p. m.

Mr. and Mrs. George Riddle have returned to their home in Abingdon, Va., after a visit of several weeks here with their son and daughter-in-law, Mr. and Mrs. Paul Riddle.

## Safe Cracker Takes Ten Cent Store Cash

A safe cracker broke through the rear entrance of the P&L department store in Pahokee on Wednesday night of last week and used tools from the hardware department of the store to hack his way through the bottom of a small office safe, according to Police Chief Altman E. Morgan. The robbery was discovered early Thursday morning when the store was opened by O. Q. Atkinson, store manager, who said approximately \$35 in cash was missing from the safe but additional cash in a side drawer could not be reached by the thief. Chief Morgan called in a fingerprint expert from West Palm Beach to assist in the identification of the safe cracker.

## County Physician Speaks Before PTA

"Family Health" was the subject of an address delivered by Dr. W. E. Van Landingham of West Palm Beach, County physician, at the January meeting of the Pahokee Parent-Teacher Association held Monday night in the high school auditorium. Introduced by Principal C. A. Canipe, the guest speaker pointed out that child delinquency is seldom if ever found in a family which enjoys good physical and spiritual health.

At the business session with the president, Mrs. D. W. Cunningham, presiding, the group voted to assume the expense of serving refreshments at the regular monthly meetings of the Pahokee Cub Scout Pack which is sponsored by PTA. The January attendance awards were won by Mrs. Sarah Thomas's fifth grade room at the elementary school and by the eleventh grade at the high school, Miss Constance Smith and Herbert Miller, faculty sponsors.

## County Exposition Explained To Lions

Details of the West Palm Beach Exposition to be held at Morrison Field Mar. 3-12 were explained to Pahokee Lions at their Tuesday luncheon meeting by W. Karl Lattions of West Palm Beach, exposition director. The guest speaker, introduced by Frank Rozelle, program chairman, pointed out the importance of having the Glades area of Palm Beach County well represented at the exposition and urged Lions and the community as a whole to take part in the exhibits and activities.

President Manning I. Keen announced the annual joint meeting of Pahokee Lions and Rotary Clubs will be held on Thursday, Jan. 27, Lion Kelly, president of the Clewiston Club, was a visitor.

## ELKS CLEAR SUM

At the recent dance held by the Elks club in Pahokee a tidy sum was cleared for the Harry-Anna Crippled Children's home at Umatilla. Harold Rosenberg was the committeeman in charge and reported that \$229.75 plus an additional \$87.00 was sent to the home.

## Exposition To Be Much Greater Than One Held Last Year

Response of manufacturers, distributors and dealers to the invitation offered by the West Palm Beach Chamber of Commerce and Resources Development Board to participate in the Palm Beach County Exposition to be held at Morrison Field March 3-12, except Sunday, has far surpassed all expectations, according to Karl Lattions, exposition director.

Applications are being received, but allotment of space will be made thirty days prior to the Exposition. Locations will be granted in accordance with priority of application and type of exhibit by an impartial space allotment committee at that time.

"Applications on hand from exhibitors of last year and new subscribers indicate that over one-third of the enlarged capacity has been spoken for" Mr. Lattions said.

Many new and novel displays will be added that auger well for the presentation of the largest exhibit of products and services ever offered under one roof to the residents of the County.

The functional committees, composed of members of the co-sponsors, were announced today and include many prominent men in the business life of the County.

## Acrobatics In Air To Feature Show For March Of Dimes

WEST PALM BEACH — The two-day March of Dimes All-American air show—official opening of the county wide fund campaign for use in combatting polio—will be held at International Airport here this weekend.

The show, which will feature a full three-hour program of aerial exhibitions, thrilling flight maneuvers and other performances, will be staged Saturday afternoon at 2 p. m. and will be presented again Sunday at the same time, according to Earl Gardner, county chairman of the fund drive.

In addition to the regular performers from the famed Rex English troupe of aerial exhibitions, the show will include a showing of the latest Air Force jet-type fighter planes—a squadron of F80's from Jacksonville under the command of Lt. Col. Bill D. Haviland, World War 2 flight veteran and former test pilot.

The program for the Flying Tigers air show under the direction of English will open with a flag jump by parachutist Red "Bat Man" Grant and an aerial acrobatic flight by Johnny Vasey, Billy Fischer and Major Art Davis.

The Tigers' program also includes "taperwing" acrobatics by Major Davis; car to plane change by Billy Light, Vasey and English; light plane acrobatics, Billy Fischer; wing walking and acrobatics by Billy Light on a ship piloted by Johnny Vasey; delayed parachute jump by "Bat Man" Grant; landing a plane on top of an auto by Lowell White and a finale with Vasey, the national high speed acrobatic champion in his "nine day wonder."

## Local Netters Drop Two Opening Night

The Pahokee Blue Devil quintet dropped their opening basketball game to the Delray Beach Seahawks in the local gym Friday night, 61 to 34. The Blue Devil B team was also on the small end of a 48 to 24 score in the preliminary scrap with the Seahawks fledglings.

On Saturday evening Coach William Howard's cagers traveled to Lake Worth for a 52 to 28 trouncing by Trojans. The B team contest told about the same story: Lake Worth 38, Pahokee 22.

This evening the Blue Devils will travel the overseas highway away down south to Key West in an attempt to crack the hard-shelled defenses of the conchs. This is an A team game only and another contest with the Key Westers will be played tomorrow night.

## City Sells Bonds For New Hospital

Bids on the \$160,000 bond issue for the financing of the proposed Pahokee Hospital were opened by the City Council at a regular meeting, Tuesday night. The bids of \$1.01 at 4 per cent interest, submitted by Sullivan Nelson and Goss, Inc., and Emerson Cook Company, West Palm Beach investment brokers, was accepted by the council.

The ordinance imposing a city tax on punch boards, passed by the council approximately a year ago, was repealed at the meeting. B. B. Justice, sanitary officer, was instructed to notify persons having hogs within the city limits to move the animals within two weeks. Leon Guthrie was employed as a member of the police force.

## Military Funeral For Lt. Coleman, Jr.

Full military funeral services for Lt. Elsie E. Coleman, Jr., will be held at the Hillcrest Memorial Park in Savannah, Ga., Sunday, Jan. 16, at 2 p. m.

Lt. Coleman, U. S. Army, died near Eply, France, on Dec. 3, 1944, at the age of 22 years while securing a bridgehead across the Selle River and was interred in the U. S. National Cemetery at Limey, France.

He graduated from Pahokee High School in 1940 and after receiving a bachelor of science degree at the University of Florida in 1943 he enlisted in the Army in July of the same year. He was a member of the Baptist Church in Gainesville.

Survivors include his parents, Mr. and Mrs. E. E. Coleman, Pahokee; a brother, Lake W. Coleman, Mount Dora, and a sister, Mrs. R. L. Odum, West Frankfort, Ill.

The body is scheduled to arrive in Savannah Saturday. Mr. and Mrs. Coleman are leaving today for Savannah where they will be joined by their son Lake, and daughter, Mrs. Odum.

Dr. and Mrs. R. R. Long had as guests Sunday Dr. and Mrs. Wilfrido Pompano.

## Nursery Is Opened At Labor Camp For Children 2 Thru 5

A nursery has been set up and is in operation at the White Labor Camp in Pahokee. The daily hours of operation will be from 8:30 a. m. to 6:00 p. m. Children between the ages of 2 thru 5 may be left for the full day or any part thereof. The nursery is now open to the residents of the Pahokee Farm Labor Center and the general public.

A fee to cover actual expenses of nursery operation will be collected each morning upon arrival of the child. Children will be examined by the nurse before being accepted at the nursery. They will be well cared for in the nursery program which will include meals, a morning and afternoon snack, directed group play, individual play, indoor and outside recreation, music, singing, and a nap each afternoon.

The charges will be as follows: The per day, including two meals and a snack in morning and afternoon. 50c per day, including one meal and snack.

If parents desire to leave children for shorter periods of time the charge will be 10c per hour. Or 25c if meal is included.

The nursery is being operated on a non-profit basis by a group of Church of the Brethren, young people in cooperation with Home Missions Council of North America. The young people in this group are giving a year of their life to the church. The Church of the Brethren has set up the program which is known as Brethren Volunteer Service. Young people of the Church of the Brethren and other churches may volunteer to work a year in various projects which are now in operation.

The young people at the Pahokee Center come from various states and are as follows: Miss Hazel Trimmer, York, Pennsylvania; Miss Irene Beard, Westminster, Md.; Mrs. W. L. Clark, Chicago, Illinois; Harold Pankratz, Hillsboro, Kansas; Verion Friesen, Hillsboro, Kansas; and Mr. and Mrs. Myron S. Miller, Bridge-water, Virginia.

In cooperation with Miss Kathryn Leaf, a staff member of Home Missions Council, many other activities are being carried on at the Pahokee Center. A recreation program is held each afternoon between the hours of 3:00 and 5:30. The group enjoys softball, volleyball, croquet, and many other group games. There is also a club for boys and a club for girls, a Teen-Age club, a Children's hour, Sunday School, Religious Programs, Films, a Choir, group singing, outings and parties.

The group of Brethren young people expect to take over the operation of the nursery at the Osceola Center in Belle Glade. On February 1, additional personnel will be added to the group from the Brethren Volunteer Service Training Unit which is now at New Windsor, Maryland. When the new folks arrive it will be possible for the group to put on a full program at both Pahokee and the Osceola Center.

GARLAND E. HOPKINS

All the speakers being brought to the First Baptist Church, Pahokee on January 26 and 27 by the Florida Chain of Missionary Assemblies have had some distinctive service to make them stand out from the others.

Take the Rev. Garland Evans Hopkins, as example, who was liaison officer for the American forces with the Dutch, Australians and Filipinos.

This alone would provide him with interesting material for the talk, "Christianizing International Relations," here on January 27, 7:30 p. m.

But he has also had other experiences; among them, a recent visit to the "tension areas" of the Far East and the Near East where he served as observer and counselor for Christian Missions.

It was during World War II, while he was Army Chaplain, that he was stationed in the Far East. Now, as associate secretary of the Board of Missions and Church Extension of the Methodist Church, he still has need to travel extensively.

## Mrs. Hurt Hostess To WSCS Group

Mrs. R. F. Hurt, chairman of the First Methodist WSCS program committee, called a meeting of the committee at her home Friday evening to outline WSCS program plans for the next three months.

Mrs. Arch Blakey, mission study chairman, announced that a winter mission study course, using "American Frontiers" as the text, will be conducted in February. At the conclusion of the meeting Mrs. Hurt served refreshments to Mrs. Parnell Enecks, Mrs. G. W. Byrd, Sr., Mrs. M. P. Holman, Mrs. J. A. Dulaney, Mrs. J. T. Boynton and Mrs. Blakey.

## TOO LATE TO CLASSIFY

(By Russell Kay)

Fuller Warren promised the biggest Gubernatorial Inauguration in its history if he were elected and Tuesday, January 4, he came through in a big way. If he keeps his other campaign promises as well as he kept this one, those who voted for him on the strength of that platform won't be disappointed. My guess is he will follow through and before his term is up will do just about everything he said he would do.

And if this other appointees put the same heart, effort and enthusiasm in their respective tasks that A. F. Rich, Mrs. B. K. Roberts and others responsible for the success of the inaugural gave to theirs, Florida will have outstanding government during the next four years.

The only thing that marred the festive occasion was a drizzling rain that came just as retiring Governor Caldwell was making his address. It was a tough break for Millard for he was in a position to report real progress during his administration.

Omen or not, when Governor Warren began his address, the rain stopped and it did not rain again throughout the day. Reiterating promises made during his campaign, Warren pledged himself to drive the cows, reckless and drunken drivers off Florida highways, set up a central purchasing agency, provide for flood control and an intelligent reforestation program. He made it clear that he was "everybody's" governor and that during his term of office it was not going to be necessary for any person to "see somebody else" in order to "see" him nor would letters of introduction from so-called "big shots" carry any weight.

The throng of 20,000 or more that filled the entire block in front of the Capitol and overflowed its grounds proved to be an enthusiastic and appreciative audience; applause was frequent and the man who realized his boyhood ambition must have found it extremely gratifying.

I was really impressed with the manner in which arrangements for Inaugural Day had been worked out by those in charge and with the smoothness and dispatch with which the monstrous program was carried out. There wasn't a hitch.

P. M. Cate, Jr., visited his parents, Mr. and Mrs. P. M. Cate, Sr., in Leesburg, Fla., over the weekend.

## We Both Won This One

Blew my top the other morning when I discovered a shirt I'd put on had two buttons missing.

"Joe," the missus says, "do you ever read what you write? For a man who writes newspaper pieces all about tolerance, you sometimes show a lot of race prejudice."

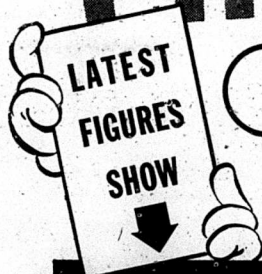

"Race prejudice!" I holler. "No one can accuse me of that." "I mean prejudice against the entire human race," she interrupts with a smile. "Why get mad at the world over two little buttons?" That took the wind out of me.

From where I sit (as I told the missus that evening), a lot of us sometimes get too worked up over little things... little differences of opinion or taste. One person prefers beer or ale, another prefers cider or lemonade. But why criticize the other fellow just because his tastes aren't the same as ours? "That sounds more like you, Joe," she laughs, snipping off a thread. (It so happens she was sewing on buttons.)

## Cinematic Chatter

By Malcolm Miller

The little girl who lost her bloomers so many times during the story of "Marge" is returning to the Prince Theatre screen Sunday-Monday in "Apartment for Peggy," which is hailed by critics all over the land as one of the best laughing shows Jeanne Crain has ever been seen in.

In the cast with Jeanne are William Holden and Edmund Gwenn. (he was the famous character in "Miracle on 34th Street," ) as the co-stars and Gene Lockhart, Cliff Barnett and Randy Stuart as the principal supporting players. The story is filmed in gorgeous technicolor, and film producers have discovered that Miss Crain bids fair to becoming the technicolor queen, she films so well in color.

Jeanne gave one man something to love for, another something to live for, and you had better make room in your heart for this delightful young lady.

See you at the movies—Mal.

## Loretta Wilson Heads Rainbow Girls

Loretta Wilson was elected worthy advisor of the Pahokee Assembly of Rainbow Girls at a meeting in the Masonic Hall Monday night.

Other new officers chosen were Johanna McKinstry, worthy associate advisor; Barbara Wilkinson, charity; Vera Keen, hope; Clara Baxter, faith; Betty Jean Hicks, recorder, and Patsy Geiger, treasurer.

The public is invited to attend the installation of the new officers on Jan. 24 at which time the selection of appointive officers will be announced by the new worthy advisor.

## Ford - Combs

Mr. and Mrs. Malcolm Miller of Pahokee announce the engagement of their daughter, Miss Vivian Combs, to James Carey Ford of Clewiston, son of Mr. and Mrs. J. G. Ford of Nashville, Ga.

Miss Combs graduated from Pahokee High School in 1947 and is now employed in the offices of the U. S. Sugar Corporation in Clewiston.

Mr. Ford, a veteran of World War II, was in the Navy for three years with overseas duty in the Pacific area.

The wedding is scheduled to take place in the spring, the date to be announced.

This gadget will measure winds for WSWN listeners. Tom Watson, Jr., President of the Seminole Broadcasting Company, inspects a Bendix-Friez "Windial" which the Belle Glade radio station is installing to broadcast wind direction and velocity hourly for South Florida listeners.

## Woman's Club Has Business Luncheon

Members of the Woman's Club at a business luncheon Wednesday voted to sponsor a Brownie Troop of girl scouts. A contribution to the talent show which is to be presented at the Pahokee labor camp in the near future was also voted by the group. Plans were made to sponsor "march of dimes" collections at local theatres next week in connection with the annual polio relief drive.

Mrs. Parnell Enecks, club president, gave a report on the County Federation meeting held in Lantana Thursday of last week. Mrs. Alice Spooner, Mrs. Leo Wroten, Mrs. Becky Starling and Mrs. L. M. Collins acted as luncheon hostesses. Mrs. Charles L. Wilson and Mrs. Roy Bull were visitors.

Mr. and Mrs. Leo Wroten, accompanied by her brother-in-law and sister, Mr. and Mrs. George Startazar of St. Cloud, spent Sunday visiting her sister Mrs. Dan Powell, who is a patient at the Orange Memorial Hospital in Orlando.

## Girl Scouts Will Hear State Leader

REV. JOSE A. YAP

Imprisonment in the Philippines was an experience which the Rev. Jose A. Yap, like many other Filipinos, endured during the World War II.

However, it is not of this imprisonment that he will speak before the Florida Chain of Missionary Assemblies at the First Baptist Church in Pahokee on January 26 at 7:30 p. m. Instead, he will tell of the time that he decided to dedicate his life to a program of evangelism and advance. This decision came in a hospital where he was confined following an accident.

Since November, 1946, the Rev. Mr. Yap has been general secretary of the Convention of Philippine Baptist Churches. He was ordained in May, 1939, serving first the Hinigaren Baptist Church in Hinigaren, Occidental Negros, and Jaro Evangelical Church, Jaro, Iloilo City, before becoming secretary.

## Solon Suggests "Forward Steps" in Old Age Pensions

WASHINGTON — Rep. Sikes (D., Fla.) said this week that liberalization of the Florida old age pension laws could do much to give the state a better program. In a letter to Governor Warren, Sikes called attention to the "forward steps" which might be taken by the Florida legislature.

He wrote Warren: "The basic welfare laws were, of course, federal and more than half of the funds for the program are provided by the Federal Government. Representatives of the federal security agencies helped to prepare most of the existing laws on this subject. But where the federal laws are reasonably flexible, the state laws are not. Indeed, most of them are perfect examples of the effects of bureaucracy on the loose. Yet it is through the state laws that the social welfare programs are actually administered. 'I submit that the aim of the welfare programs is to aid the recipients' with as little red tape and delay as possible and with the maximum of the taxpayers' dollar going to the people for whom the programs were designed."

He pointed out that the Federal Government appropriates a maximum of \$30 a month for each aged and blind person of which amount Florida matches only \$20.

## Belle Glade Tells Of Improvements

From the city clerk's office in Belle Glade each week comes an interesting article in regard to happenings in city government in that thriving municipality. The article in a general way covers the water works, police department, street and sanitary department and other parts of city government. Below is this week's report:

The Park Department has ordered three slides for the children who play in the City Park which should be delivered any day now. Also, bids have been asked on a Shelter and 2-Shuffle Board Courts to be erected in the park.

The Police Department is functioning with a much better degree of efficiency now that the Two-Way Radios are installed, and if you need a policeman in a hurry, you can now get one by calling phone 400. Fines and Forfeits show a marked increase over the same period of last year, exceeding same by \$5,397.50, and with all the improvements that are needed and being made this money is surely needed.

The Street Department reports

that the City rock pit is now open, and rock is being hauled on streets where needed. The opening of this pit has been quite an undertaking, but is well worth the efforts, time, and money spent in doing so; just bear with our Street Superintendent and he'll have us some streets built one of these days. "It just takes Time!"

Approximately 40 dogs have been impounded; 13 were reclaimed and 27 disposed of in the gas chamber; 15 or more are in the pound at present that will be advertised for sale on the 14th of January, 1949. Your Building Inspector wants all commercial building and rooming house operators to pay particular attention to electrical wiring, as there was a fire last week caused directly by improper wiring. Building Permits for the week are as follows: Rader Properties, Maintenance and Repairs, \$2,000.00; Bryant McClendon, \$800.00; and Standard Oil Company of Kentucky, Filling Station, \$22,000.00. There were 3 Plumbing Permits covering 23 fixtures and 3 Electrical Permits issued also.

Mr. and Mrs. W. H. Vann have as a guest this week Mrs. Porter Angel of Palatka.

## Schroder - Pilgram

Miss Carol Schroder, daughter of Mr. and Mrs. George O. Schroder of Pahokee and Philadelphia, Pa., became the bride of Ralph Pilgram, son of Dr. R. E. Pilgram of Paxtang, Pa., on Christmas day at 4 p. m. The double ring ceremony was held in the Presbyterian Church in Paxtang, the second oldest Presbyterian church in the United States, with Rev. Morton Glise, pastor of the church, officiating.

The bride was given in marriage by Paul Smith, a close friend of the family. She wore an afternoon gown of winter white sheer wool fashioned with a low round neckline, cape sleeves and black accessories. Her small hat of black felt was trimmed with ostrich feather tips and she carried a white prayer book centered with white orchids.

The bride's only attendant was Miss Louise Menge, maid of honor. She wore a beige crepe gown with brown accessories and a shoulder corsage of gardenias. Dr. Pilgram was his son's best man.

Following the ceremony a reception was held at the Pilgram home. After a wedding-trip to New

York City the couple are now at their home in Philadelphia where Mr. Pilgram is attending medical school at Temple University and Mrs. Pilgram is a member of the nursing staff at Temple Hospital.

## Girl Scouts Hold Regular Meeting

The Girl Scouts of Canal Point held their regular meeting Friday, January 7, 1949. They stood in their regular horse-shoe formation and pledged allegiance to the American Flag. They divided into patrols, paid the dues and the rollcall was held. They studied the history of Girl Scouts, why you pay Girl Scout National Dues, and also studied how you make trail signs in twigs. They played some games and were taught two songs. After the meeting was adjourned the "court of Honor" was held consisting of the two leaders, Mrs. Scoggin and Mrs. Harrington, the two patrol leaders, Melva Puga and Aleph Hall, the treasurer, Joann Edenfield and the Troop Scribe.

WHEN you see the 1949 Chevrolets, a glance will be enough to tell you they're new—all new—in line and contour, in beauty and style. And when you look inside, and under the hood, and beneath the chassis, you'll see that their newness is not merely in outward appearance, but in design and engineering and construction as well.

But, to a lot of people, the 1949 Chevrolet is already old. They know what it will do, and how exceedingly well it will do it—they know all about its performance, its comfort, its power, safety, durability and

economy. They are the engineers and technicians of the General Motors Proving Ground—the largest, most completely equipped, outdoor testing laboratory in the automobile world.

Here, before a single new 1949 Chevro-

let went into production, experimental models were tested—made to show that they possess, in greater measure than ever, all those qualities on which Chevrolet has built its leadership.

In short, the General Motors Proving Ground tests are your assurance that your new-model Chevrolet has proved its worth through many months and many, many thousands of miles of rough handling.

Soon you will see the new Chevrolet—and when you do, you will see a car not only new, but tried and true.

## CHURCH OF CHRIST, SCIENTIST

"LIFE" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist throughout the world on Sunday, January 16.

The Golden Text is: "Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the Son of man shall give unto you" (John 6:27).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And we know that the Son of God is come, and hath given us an understanding, that we may know him that is true, even in his Son Jesus Christ. This is the true God, and eternal life" (1 John 5:20).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "We all must learn that Life is God. Ask yourselves: Am I living the life that approaches the supreme good? Am I demonstrating the healing power of Truth and Love? . . . Your fruits will prove what the understanding of God brings to man" (496:9-12, 13-14).

## SOONER or LATER - MR. JAYWALKER GETS A RIDE!

You have heard of him before, read about him in the obituaries and cussed him when driving. Mr. Jaywalker is the habitually irresponsible pedestrian who accounted for 34% of Florida's traffic fatalities in *one* year and 195 of his kind were given a ride to the morgue. Throughout the nation 11,200 pedestrians lost their lives last year. Are you startled?

If you have any jaywalking tendencies in your make up eliminate them before they eliminate you. Danger to life and limb is ever present when you venture into traffic. Yet it requires only the simplest application of a little common sense and patience to quit being a jaywalker. Walk and cross streets and highways where you should—when you should. Don't pit your body against speeding metal; it won't win.

Living is a great adventure. Why cut it short before your time? Walk safely and live longer.

Mr. Motorist—

## Chapter Sweetheart To Be Chosen By FFA

The Pahokee Chapter, Future Farmers of America, at a meeting in the high school agricultural building Monday night announced plans for selecting a chapter "sweetheart" who will be crowned "queen of the Valentines" at the annual Valentine dance to be sponsored by the chapter next month. The chapter sweetheart will be chosen by popular ballot from a group of candidates sponsored by one of the high school classes. John Ogil, vice president, will be in charge of the project.

President Raymond Caruthers reported that Alert Graves, eighth grade student, won the Christmas card sales contest sponsored by the chapter and will receive a cash award at the next meeting.

## STORY OF RED TIDE

**TALLAHASSEE**—The problem of the Red Tide, phenomenon which left a scourage of dead fish along the West Coast beaches in 1946-47, is not likely to be solved except by long continued research, the Florida Board of Conservation reported in a booklet on its investigations to date.

The booklet, issued by the Marine Laboratory of the University of Miami, is the first of a series to be issued on studies of Florida fisheries. Copies may be obtained from the board of conservation at Tallahassee. The booklet points out that the visitation is not new and has been observed as far back as 1844.

## Colin English Gets New State Position

**TALLAHASSEE**—Colin English, who retired last week as State School Superintendent after his defeat for Governor, was hired Tuesday for the new job of higher education coordinator.

The Cabinet Board of Education at the suggestion of Gov. Warren and on the motion of new School Superintendent Tom D. Bailey, created the position and gave it to English.

Gov. Warren said the rapid growth of the State's colleges and education at the University of Florida and Florida State University had created a natural competition between the institutions which required coordination of educational services.

He emphasized English will "in no sense supersede the Board of Control," which directly supervises the colleges "or usurp any of its responsibility. Rather, he shall be a liaison officer between the Board of Education and the Board of Control."

## ANNOUNCES SUBJECTS
